MAY I EXPRESS MY SINCERE APPRECIATION TO ALL THE MEMBERS OF THE ROYAL COURT III DE SAN FERNANDO VALLEY, THE SAN FERNANDO VALLEY COMMUNITY AT LARGE AND ALL OUR FRIENDS LIVING OUTSIDE THE SAN FERNANDO VALLEY WHO HAVE HELPED MAKE THIS A MOST MEMORABLE YEAR.

MY SPECIAL LOVE AND THANKS TO EMPEROR HOY AND EMPRESS BUSTY FOR A DYNAMIC YEAR.

H.J.M. Emperor 111

Hoy Fowler

H.I.M. Empress 111
Busty O'Shea

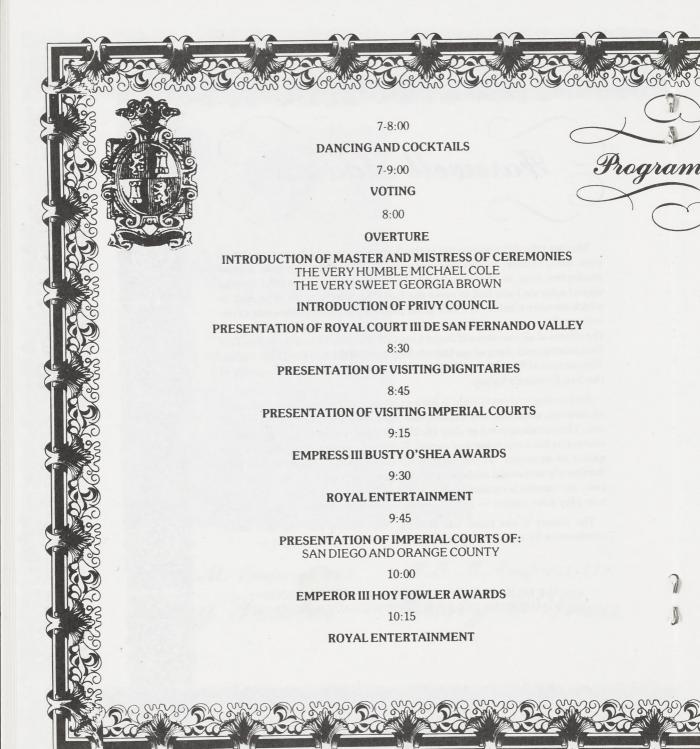

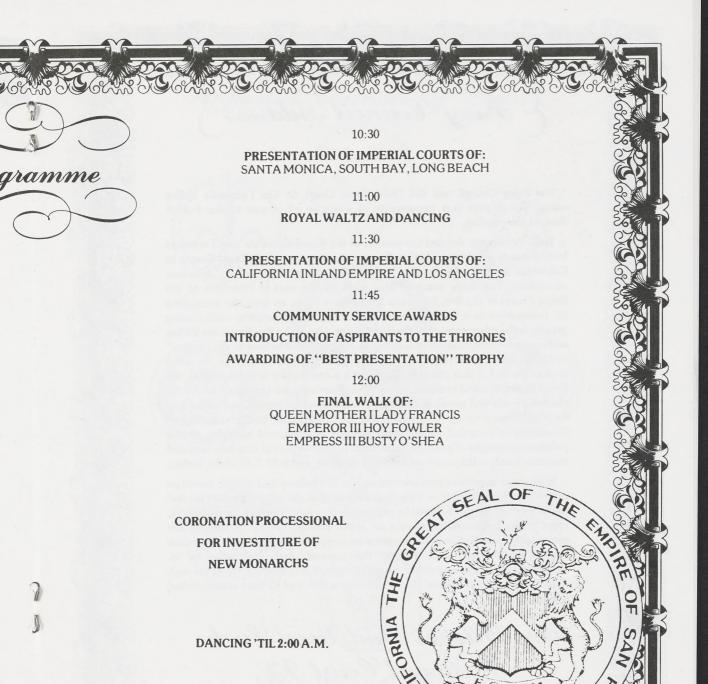

May we take this opportunity to thank each of you who have contributed your time, talents, money and energies to help make this year a most productive time in the San Fernando Valley. We are grateful for the opportunity we have had to serve the Gay Community in the capacities to which we were elected. We take great pride in the accomplishments of our community — accomplishments planned, pursued and achieved through the efforts of all members of Royal Court III, the San Fernando Valley Gay Community, and many of our friends from beyond the San Fernando Valley. The success of Royal Court III is a tribute to the unified Gay Community of the San Fernando Valley.

An evening such as tonight is both an ending and a beginning. A year of excitement, acquiring new friends, and much hard work has now come to an end. The curtain opened on July 13, 1975 and the drama began. The cast of characters has been many and varied. The plots and situations have run the gamut of emotions. There have been some disappointments, but predominantly successful achievements. All goals set have been reached. And now, the curtain is closing — the drama is finished — preparations for a new play have begun — and a new situation is about to unfold.

The sunset of our years has arrived. Our labors and our love await continuance by our successors. We leave you with this thought —

"WE DO NOT LOVE PEOPLE SO MUCH FOR THE GOOD THEY HAVE DONE US AS THE GOOD WE HAVE DONE THEM."

The Privy Council and the Third Royal Court de San Fernando Valley would like to take this opportunity to welcome all of you to the Fourth Annual Coronation.

This, the Fourth Annual Coronation of the Royal Court de San Fernando Valley stands a milestone in Gay Community progress of all Royal Courts in California in that this is the first totally community owned, debt-free coronation. The three years of hard work on the part of members of the Royal Courts of the San Fernando Valley have taken us from the struggling for recognition as a separate empire, to a unified community contributing greatly to the advancement of the Gay Community of the San Fernando Valley and our sister communities of Southern California. We believe in the "kamp" of the titles and the fun times to be had at public functions; however, we stand firm in the belief that the purpose of such a community organization as the Royal Court de San Fernando Valley is both serious and beneficial to the far reaching goals and needs of the Gay Community. Our three Courts have had fun and "kamped-it-up" and in addition have contributed both physically and financially to retarded, underprivileged and handicapped children; to the political campaigns of pro-Gay politicians; to the support of Gay brothers and sisters in need; to the causes of our sister empires; and to M.C.C. in the Valley.

We believe in unity of purpose and action. We believe that unity is based on respect for the individual — equal but each unique. As a Privy Council we feel the function of the court should be to promote this unity through knowledge of, respect for, responsibility to and an active concern for all persons in the community. Knowledge is to recognize an individual as he is, not as we wish him to be. Respect is to respect that person, again, for what he is. Responsibility is to be capable of responding to that individual. Unity through dignity and respect. We feel that Royal Courts I, II, and III have accomplished this and more.

Best Wishes And Good Luck To Royal Court IV. Imperial Council Of Courts
